NINE YARDS™

Informal expression

Going the whole nine yards

Meaning

In all ways; in every respect;  
all the way.

Nine Yards is a Swedish  
Premium Haircare brand.  
We challenge the old beauty  
standards by presenting a  
more liberating approach to  
beauty.

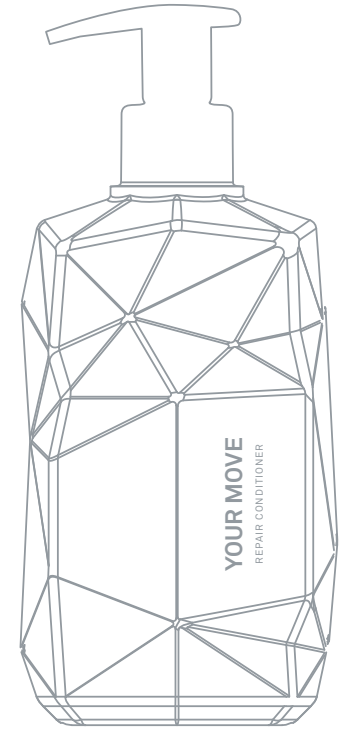

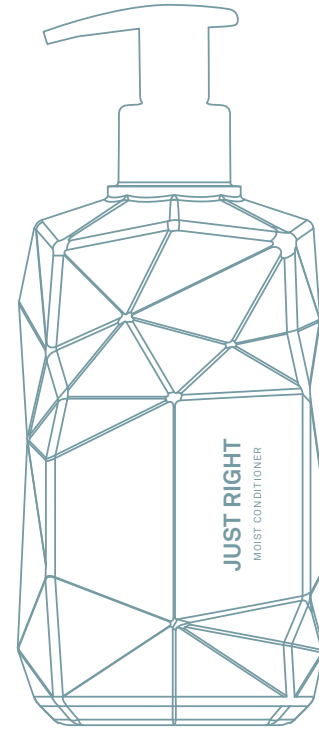

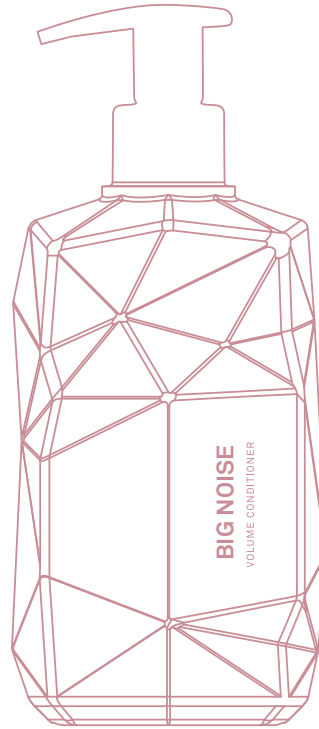

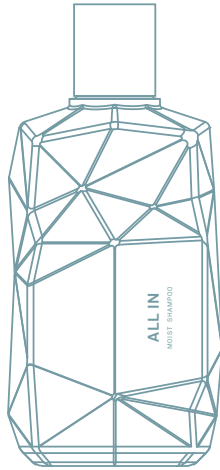

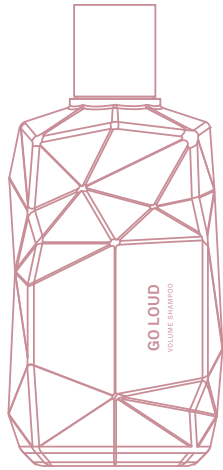

We celebrate the good  
look, that comes from a  
good outlook. An outlook  
that embraces our inner  
uniqueness, boldness,  
strangeness - and ignores  
society's beauty standards.  
Self expression in every  
form.

A woman with long, straight blonde hair is shown from the chest up, wearing a light pink long-sleeved top. She is blowing a large, inflated pink balloon that completely obscures her face. Her right hand is near the balloon's neck. In the foreground, on a light pink surface, sits a small green cactus in a terracotta pot. The background is a solid, light pink color.
